SUMMARY

Looking for a challenging profession in the field of software engineering, which gives me a stage to introduce my conceptual and functional information, expand my experimental and exploration abilities, and reach out myself to higher work in the field of my specialized advantages.

SKILLS

- MS office
- MS Excel
- Web Development
- Machine Learning
- Python and C - programming

EXPERIENCE

Intern
Disruptian Technologies *Dec 2021 - Mar 2022*
- Learned and build industry-level projects using python.

PROJECTS

Re-Covidry.com
Front-end Developer. *Jun 2020 - Apr 2020*
- Developed a website as a front-end developer that incorporated user healthcare history and predicted the probability of recovery from covid-19.

Kashmiri Handwritten Character Recognition using state-of-the-art machine leaning algorithms.
Machine learning developer. *Jun 2019 - May 2022*
- Developed and directed a team of 4 in developing the OCR technique on the Kashmiri dataset created by the team.
- Improved the project in May 2022 with 2 more ML algorithms.

Real time sign language detection using SSD model.
Machine learning developer *Jul 2020 - Oct 2020*
- Achieved detection of sign language detection in real-time using the TensorFlow object detection API on the local host.

Peer-to-Peer Self Driving Car rental.
Front-end developer and Machine learning Developer. *Mar 2022 - Present*
- Currently developing an app based on the idea of connecting car owner to renter directly.
- Developing using flutter, MongoDB.

EDUCATION

Secondary School
Burn Hall School *Mar 2014 - Jan 2015*
- Received my Secondary School Degree from BHS.
- With a percentage of 89%.
- Received an honor of School Head boy.

Higher Secondary School
S.P Higher Secondary School. *Mar 2016 - Dec 2017*
- Completed my 12th class degree in PCBM stream from S.P school.
- Achieved a percentage of 75%.

Btech CS(AIML)
Sharda University *Aug 2019 - Present*
- Pursuing my Btech in Computer Science with a specialization in AIML with a current CGPA of 8.5.

CERTIFICATION

NPTEL - Introduction To Internet of things 4.0
NPTEL *2021-11-15*
- Received a certification on IoT by NPTEL.
- Achieved 2nd rank in the course.

EXTRACURRICULAR

Sports
- National level cyclist

PERSONAL SKILLS

- Leadership
- Teamwork
- Communication
- Quicklearner
